

SPOTLIGHT on Applicators

TAKE-A-LABEL

TAL-3100T • *Tamp Label Applicator*

Did you know?

The TAL-3100T was the first label applicator to be introduced into the TAKE-A-LABEL line. That was over twenty years ago. Since that time, the unit has received several revisions as we strive to enhance performance and function. Today's TAL-3100T provides one of the most versatile, reliable and simple to operate tamp label applicators in the industry.
